

LE NEXTRA – The Innovative Grand Townhome

Location The project is located about 500 meters off Srinakarin main road and 900 meters from the Southern Ringroad (Kanjanapisek Expressway) on Subboonchai-Bangping Sub-road, Bangmuang Subdistrict, Muang District, Samutprakarn. Via the very nearby expressway, travelling time to Suvannabhum International Airport is about 30 minutes and to Sathorn road is also about 30 minutes with only 25 Baht expressway toll. BTS sky train's bearing station is just about 20 minutes away.

Project Land Size 16 - 1 - 35 Rai (Approximately 6.46 acres)

Total Units 117 Units

Each Land Plot Size 135 sq.m. on average (ranging 120 sq.m. - 212 sq.m.)

Plot Frontage Most units have 7.5 meters frontage with a few corner plots with more than 8 meters frontage.

House Type 3-storey Townhome in modern architectural style with 3 bedrooms (expandable to 5 bedrooms) and 4 bathrooms. There are 2 main house types; “L” (approximately 230 sq.m. built up area) and “XL” (approximately 240 sq.m. built up area). “XL” house type besides being larger offers more natural light and panoramic view and is available only in some corner plots.

The basic units feature:

On the ground floor

- 2 car parks with separate entrance door from the garage door
- House fence with built-in trash bin and custom designed mail box
- Small front yard + front terrace (or kitchen*)
- Large living and dining room on the ground floor with sizable enclosed kitchen
- Extra space for working corner which can be configured to be a bedroom* for elderly
- Bathroom strategically positioned to accommodate private use of the bedroom
- Proper sized back yard garden with minimum 3 meters width
- Storage with direct access from the garage

* Depending on chosen plan configuration of “Terrace” or “Trendy”

On the second floor

- Sizable master bedroom with private bathroom specially designed to receive natural light from the connecting outdoor terrace
- Large family room (which can be partitioned to be another bedroom)
- Large outdoor terrace suitable for setting a roof garden
- Common Bathroom

On the third floor

- Two bedrooms; one with outdoor terrace
- Connecting private bathroom
- Multi-purpose area suitable for laundry, study area, hobby or chill-out
- Large outdoor terrace with direct sunlight for washing and drying clothes and area for satellite disk installation as well as roof garden.
